

“Truly I tell you, Whoever does not receive the kingdom of God as a little child will never enter it” Mark 10:15

We have planned another wonderful year for your preschooler and our aim is to keep you informed in several ways:

Safety First.....

- **For your child's safety** we close our classroom door when we begin class at 9:45am. The doors are set to "lock" from the outside. No outsider can enter unless they knock. The doors are not locked from the inside; therefore staff and students within the class room have easy access to exit if need be. This practice will eliminate any potential situations that might otherwise occur with "little ones".
- **When picking up your child**,....please watch the classroom doorway. The children line up at the door with their teacher and are instructed not to leave the room unless they can identify their parents.
- **When you see your child** make sure he/she can see you in the hallway. That is his/her safety signal that it is okay to leave. If someone else will be taking your child home we need to be notified ahead of time. We take every necessary means to keep all our preschoolers safe! When we have the cooperation of staff and parents working together we will be providing the best possible safe environment for all God's children.
- **Your child is never left unattended.** If bathroom becomes necessary for your child either an adult or junior aide accompany and assist them to the bathroom and back to the classroom. Because our class time is very limited and we do not want your preschooler to 'miss out', we ask that you make sure they go to the bathroom prior class time and take a drink of water located in the hallway.

On special occasions you may receive a phone call from your child's Room Mother. These calls will be reminders or requests we may have for up-coming events.

“Be a Mentor with a Servant’s Heart”
